Dear Derek,

[REDACTED]

In the mean time, I'm also refining my questions for the Navy about the USCS presentation.

In addition, at the BCT meeting I also said that the Navy has excellent opportunities at its own

July 13 meeting and at the July 21 EJ Task Force meeting to give more thorough explanations of the Navy's work on radiation cleanup [REDACTED] The Navy, the public, and the regulatory agencies will all benefit from Navy presentation of the facts. The Navy can make use of the work already done on fact sheets and posters for the April 2015 workshop on radiation and from the Q&A's for the April 21, 2016 EJ Task Force meeting.

Thanks!

Lily
